Welcome!

At the beginning of the new „kindergarden-year“ starting in August 2010 we still have a few „Kindergarten-Plätze“ to offer - for kids between 1,0 and 2,5 years of age .

Parents who are interested, may contact us until July 16th and then again starting on August 9th, 2010. Please give us a call (see the phone number above). We´ll then make an appointment and be glad to show you our kindergarden.

During the summer break our „Kinderland“ will be closed from
July 19th until August, 6th, 2010.
